

February 2, 2018
HOUKEN CORP.
HIROTSU BIO SCIENCE INC.

HOUKEN CORP. & HIROTSU BIO SCIENCE INC.. are in the tie-up.

Today, HOUKEN CORP. and HIROTSU BIO SCIENCE INC. start to introduce a cancer screening test “N-NOSE” into general check-up.

HOUKEN CORP. has been provided various kind of health service/projects for insurers in Society-Managed Health Insurance, local governments and cooperation. Here, HOUKEN CORP. will start to introduce “N-NOSE” into general check-up through these network with HIROTSU BIO SCIENCE INC.. This collaboration is the key to success for providing “N-NOSE” for people. We will start the N-NOSE service at January 2020.
